OUR STORY

Our family has been established in the Chamonix Valley since 1940. We began our industrial activity in 1985 in machining and made our first steps in the textile sector in 1989, thanks to the opening of Jules and Clémentine stores. In 2018, we reached a major milestone by becoming a player in textile production, owning several brands and companies.

PRODUCTION

We create and manufacture a wide range of clothing and accessories covering various fields: sports, fashion, luxury, and medical, as well as knitwear and various accessories. Our production includes T-shirts, shorts, caps, shirts, pants, bags, underwear, accessories, and luggage. We use modern and innovative techniques to ensure superior quality in all our products..

LOW MOQ

From 25 pieces, we develop custom-made products. But we are also able to meet the requirements of large-scale productions of more than 50,000 pieces.

Innovative machines

We use the last generation of machines to make our products.

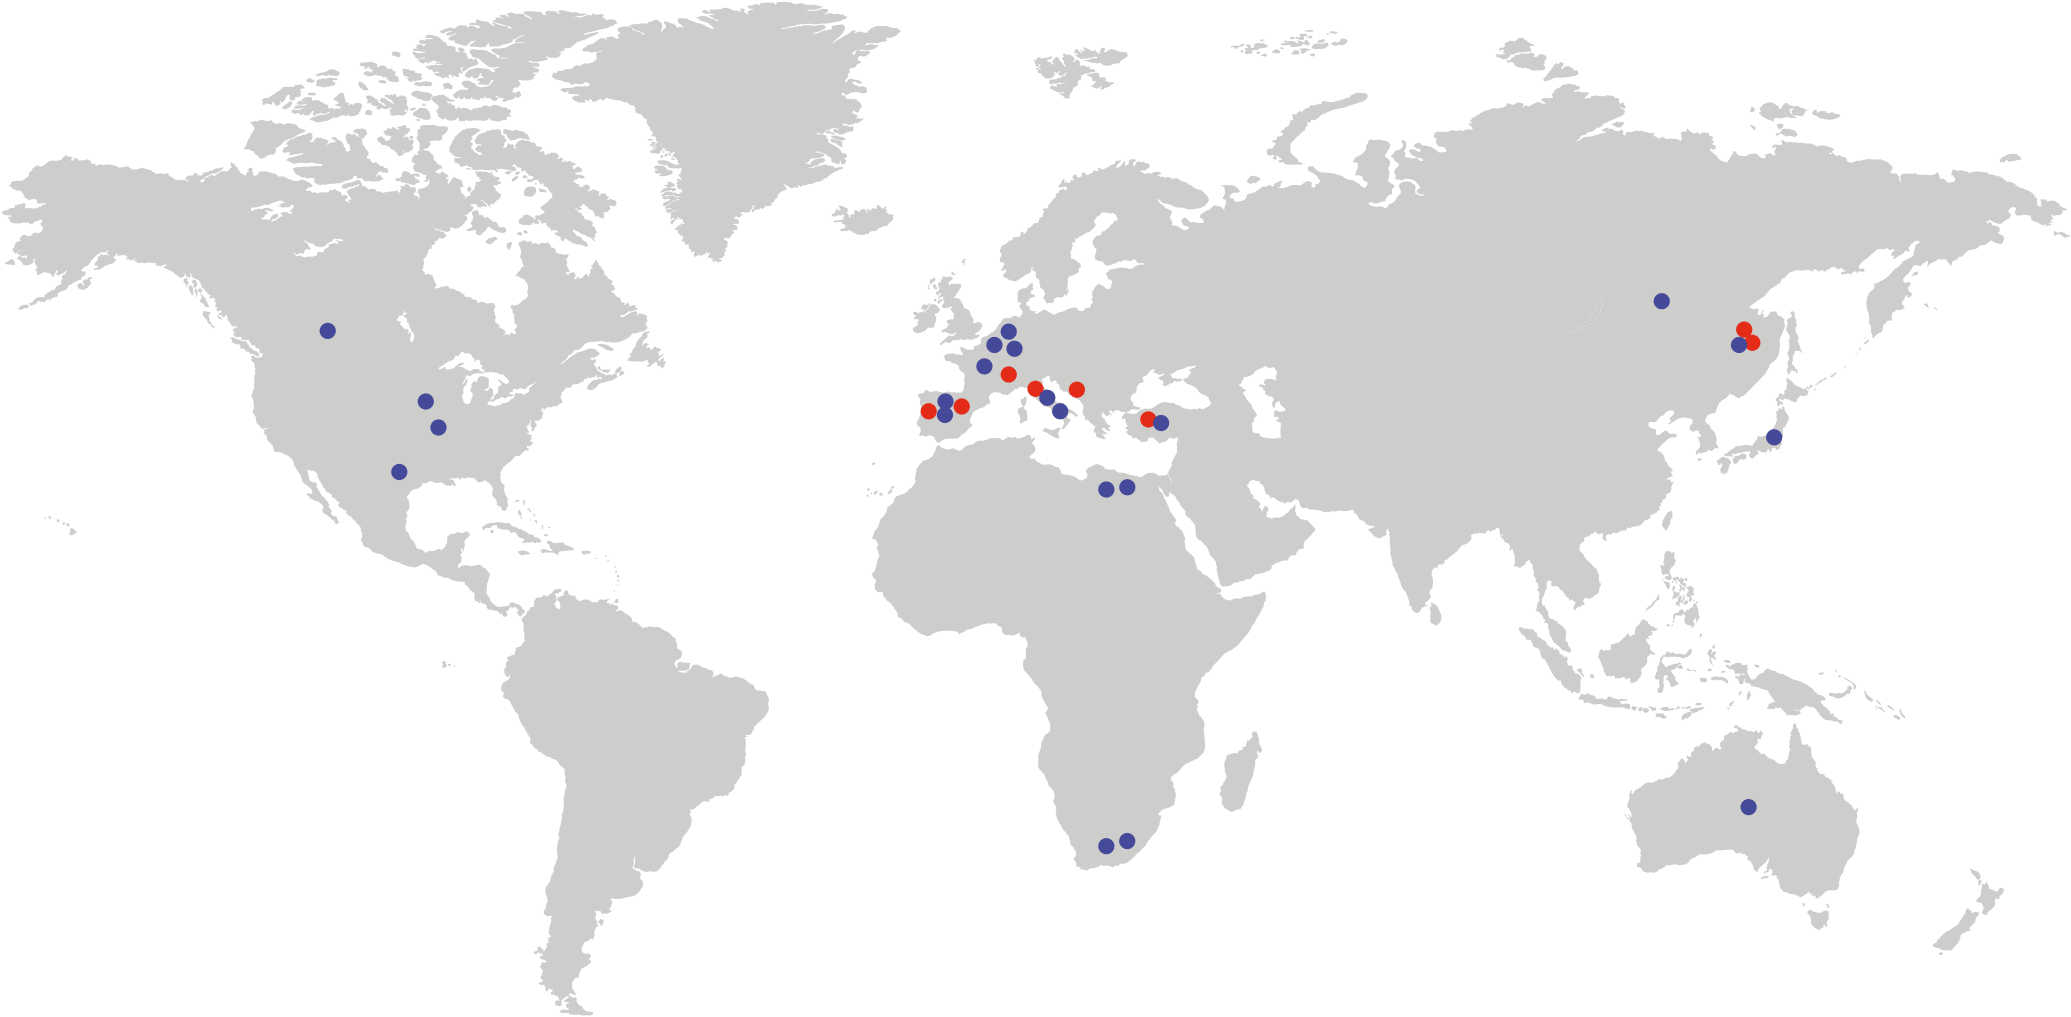

Our clients

We work for more than 30 international brands and complete hundreds of projects every year.

Turnkey service

Our turnkey service accompanies you from A to Z, from design to packaging up to reception.

NAKOTEX® | OUR VALUES

NAKOTEX, a brand of the CN Textil group, is a mission-driven company firmly committed to reducing its environmental impact. This commitment is incorporated into our corporate purpose, affirming our desire to promote a responsible and sustainable textile industry. To ensure compliance and transparency of our practices, we are audited every six months by an independent body. This rigorous approach allows us to maintain high standards of quality and ethics.

We place particular emphasis on the durability of our products, favoring high-quality materials that ensure the longevity of our items. In this regard, NAKOTEX is committed to obtaining certifications recognized in the textile industry. Among the most common certifications are:

- OEKO-TEX® Standard 100:** An international certification ensuring textiles are free from harmful substances.
- Global Organic Textile Standard (GOTS):** This certification focuses on organic textiles, ensuring fibers are grown without pesticides and adhere to strict environmental and social criteria.
- Fair Trade Certified:** Ensuring textiles are produced under fair and ethical conditions.
- Bluesign®:** This standard focuses on environmental safety throughout the textile production process.
- ISO 14001:** An international standard specifying requirements for an effective environmental management system.

In addition, NAKOTEX prioritizes partnerships with local suppliers, thereby supporting the regional economy and reducing our carbon footprint. Our comprehensive approach aims to create clothing that is not only fashionable but also ethically responsible and environmentally friendly.

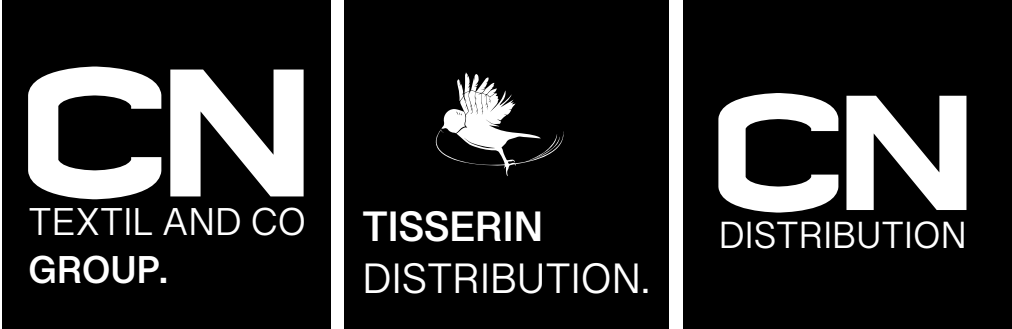

NAKOTEX® | OUR GROUP

The CN Textil and Co Group, a constellation of family businesses rooted in the heart of Haute-Savoie, where the tradition of textile blends with innovation and diversity. With three flagship textile companies - CN TEXTIL and CO, CN Distribution, and Tisserin Distribution - we are both manufacturers and distributors, specializing in high-end textile products for the luxury, sports, and medical sectors.

Our expertise ranges from white-label production to the promotion of our exclusive brands, driven into the market by a dynamic and passionate sales team. Family values infuse our daily work, visible in our offices in Chamonix, Sallanches, and Les Houches.

Beyond textiles, our group is diversifying with CN IMMO in real estate, CN INVESTMENT in finance, and CN EDUCATION, demonstrating our commitment to expansion, excellence, and sustainable innovation.
